Deor Sir: Believing that a public statement of my affliction may be of service to others similarly afflicted, as well as a benefit to yourself, I take this means of informing you, that about three years ago I was attacked with a Hemorrhage of the Luags which induced my friends to despair of my recovery. My health continued to decline for a year, when I was selezed with Neurolgia and severe Verligo. Having applied to physicians, both in this place and Balimore, without the least benefit, and laving also made use of the Galracia Battery without any good effect, I concluded to try your Extract of Serseparitie, and am happy to say, the meant I have been better ever since.
